Awards Nominations

DEADLINE FOR NOMINATIONS FOR ALL AWARDS *JANUARY 8TH 2021*

Over the years, we have had the opportunity to hear from physicians about their work, their passions and the trajectories to which they aspire. We do not want to lose this opportunity. This year is ‘a little’ different with the challenges of COVID-19

Consultants and Family Medicine Awards

Consultants Awards:

Please nominate a colleague for the MSA consultant's award. The ideal candidate should have been in practice about 10 or more years—mid career (This is not a lifetime achievement award for someone who is pre-retirement).

Think about a colleague with the following characteristics:

- 1) A good clinician – good diagnostic and skills and able to handle difficult cases.
- 2) A good doctor to patients – goes above and beyond for the patient.
- 3) Good at the art and the science – can use evidence and apply it well to individual patients.
- 4) Supports other physicians – is available when on duty, trustworthy, reliable, always willing to help
- 5) Teaches you something – when you consult or collaborate, you learn something from this individual
- 6) Leads or participates in hospital initiatives to improve care for patient populations.

Please submit your nominations for 4 (four) site awards:

- 1. The Dr. Clive Davis Award – Hamilton General Hospital***
- 2. The Dr. Dan Dwyer Award – Juravinski Hospital and Cancer Clinic***
- 3. The Dr. Jeffrey Coates Award – McMaster University Medical Centre***
- 4. The West Lincoln Colleagues' Award – West Lincoln Memorial Hospital***

Family Medicine Award:

Do you know a family physician who exemplifies excellence in care and who strengthens the relationship between community practice and the hospital?

Community Action Award:

We have a New Physician Award. The “Community Action Award”. This exciting new award will celebrate and bring to light some of the work that many physicians at HHS do to reach outside the walls and boundaries of HHS into the surrounding community. Physicians nominated for this award would typically act to help vulnerable, marginalized, underserved or racialized members of the community. The recipient would be someone with a track record of such service to the community.

MSA Charitable Donations:

We are accepting *nomination letters* for your favourite community organization!

Do you have a favorite community organization serving the Hamilton area? Do they have a health centered approach? Would they benefit from a \$5,000 donation? If so, nominate them now!

DEADLINE:

Nominations will be accepted until Friday, January 8, 2021 at 4:00 pm. Please submit nomination letters to MSA@hhsc.ca

Any questions or concerns can be directed to MSA@hhsc.ca

Take care and stay safe.

Dr. Catherine Ross
On behalf of your MSA Executive
